Coach Ron has over 30 years of experience running the "run-and shoot offense" and while coaching at Oregon Tech, for 3 years, his team lead the nation in passing. He is directly responsible for the development of Ashley Lelie, who had the highest NFL draft pick from UH and is credited with the top 5 receivers in school history statistics. Under his tutelage Coach Ron has coached successful UH players like Chad Owens, Devone Bess, Grice-Mullen, Jason Rivers, all who have gone on to play for NFL teams.
